**Arlene R. Cardozo : Jewish Family Celebrations: The Sabbath, Festivals, and Ceremonies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewish Family Celebrations: The Sabbath, Festivals, and Ceremonies:

0 of 0 people found the following review helpful. Your "Go To" BookBy BubbieBarbAt one time this book was out of print. I panicked because this was my bible of not just what to do but the historical significance of why Jewish families celebrate in the way we do. My friend's daughter was getting married to a Jewish man and converted. The young lady was nervous and new at being "Jewish" -- I found that this book really could help her feel more comfortable in her Jewish life and home. Whew was I relieved to find that the book was back in print. It turns out that many people needed a book of this kind and it was reviewed in one of the big newspapers during one of the Jewish holidays. I ordered it and will give it to my friend's daughter after her wedding. Great resource.0 of 0 people found the following review helpful. Great! Fast shippingBy PomerosapomsGreat!Fast shipping!!!0 of 0 people found the following review helpful. Great year-round referenceBy C. J. SmithThis is the book I turn to throughout the year to remind me of prayers, to find a recipe or to just read a quick bit about a holiday. It's written in a friendly approachable manner and helps set the tone of the holidays for me and my family.

A reference book for every Jewish family!Jewish Family Celebrations is a lively and authoritative guide through the calendar year of Jewish observance, from Sabbath to the festivals to life-cycle ceremonies such as weddings, bar and bat mitzvahs, births and funerals. Inspired by the richness of Jewish tradition, yet attentive to contemporary practices, this is the perfect companion for every family seeking to incorporate Jewish heritage into their lives.

. . . Describes one family's observance of Sabbath and the holy days, generating contagious pleasure. Here is scholarship enveloped in a joy for Judaism, its traditions and rites. A fine book for newlyweds and a must for young parents. Hadassah MagazineThe book assures that each holiday will become an event for every member of the family. San Francisco Jewish Bulletin. . . Provides a pleasant and scenic path towards a shared Jewish tradition. While Jewish readers have the most to gain from the book, non-Jews will also find it enjoyable and informative. Minneapolis Star and TribuneAbout the AuthorArlene Rossen Cardozo is the author of The Liberated Cookbook and Woman at Home, and for many years lectures on the family. She lives in Minneapolis with her husband and three children.
