Max I. Dimont : The Amazing Adventures of the Jewish People before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Amazing Adventures of the Jewish People:

bought it. This book was published after Dimont's passing and extracts passages from his master works in some sort of fashion. I am not sure who put this small condensed version together? It is not worth the price! His other books, sited above, from the '60's and early '70's are very worthwhile. THOSE are worthy of your time to read. 0 of 0 people found the following review helpful. Five Stars By Gary L. Boehm great product, easy sale, quick delivery... thanks 0 of 0 people found the following review helpful. Good reading.... By filomena I can not put this down when I am reading it. Great book for anyone who wants to learn about Jewish history. Glad I bought this book.

Presents a history of the Jewish people throughout the ages.
