From Gigantino James J : The American Revolution in New Jersey: Where the Battlefield Meets the Home Front (Rivergate Regionals Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Revolution in New Jersey: Where the Battlefield Meets the Home Front (Rivergate Regionals Collection):

1 of 1 people found the following review helpful. and good for the averageBy stanley e rozewski jrVery detailed, and good for the average reader0 of 2 people found the following review helpful. Five StarsBy BapperThanks!0 of 4 people found the following review helpful. No dust jacket!By Arthur RosatoThe book did not come with the dust jacket as illustrated, in fact there was no dust jacket at all. Disappointing, especially for the price of the book.

Battles were fought in many colonies during the American Revolution, but New Jersey was home to more sustained and intense fighting over a longer period of time. The nine essays in *The American Revolution in New Jersey*, depict the many challenges New Jersey residents faced at the intersection of the front lines and the home front.

"By broadening the geographical and topical coverage of revolutionary New Jersey, this volume makes a substantial contribution to the field with chapters that should prove informative to general readers, students, and academic specialists ... Overall, the works assembled here indicate that New Jersey's revolutionary experience remains fertile ground for new inquiries."
