David Criswell : The Apostles After Jesus: A History of the Apostles - Separating Tradition and History before purchasing it in order to gage whether or not it would be worth my time, and all praised The Apostles After Jesus: A History of the Apostles - Separating Tradition and History:

0 of 0 people found the following review helpful. Five StarsBy Deborah L HunterExcellent book about the apostles. Everything you ever wanted to know.....7 of 8 people found the following review helpful. Excellent separation of facts from fictionBy Dave SnookCriswell appears to have done a good job of presenting the traditions and fables, analyzing them and their sources, and drawing reasonable conclusions of what the facts must be. Interesting insights and good overview of what the apostles did and where they went in the aftermath of Jesus' life.0 of 1 people found the following review helpful. Five StarsBy Olin G. BucklandGreat book. Glad I bought it.

The book of Acts ends with the Apostle Paul sitting in prison awaiting trial. But what happened to Paul afterwards? Was he acquitted? Did Nero execute him? What of the other apostles? Early church writings contain many works of historical fiction which embellish the histories of the great apostles to such an extent that they are seen performing greater miracles than Moses, Elijah, and Jesus put together. Andrew, for example, is depicted as resurrecting "a great multitude" including children and cattle. What are we to make of such wild embellishments? Can we separate history from tradition? Dr. Criswell, best known for his Biblical Controversies series, sets out to answer that very question. Within these pages, the various histories, traditions, and legends are presented and then evaluated and debated. The reader will thus be able to make his own determinations as to what really happened to the apostles, as well as their companions including men such as Barnabas, Luke, Mark, Aquila, Barsabas, Apollos, and many others. The Apostles After Jesus also contains many maps, charts, and art to help the reader better understand the history of the disciples of Christ.

About the AuthorDavid Criswell is best known as the author of the Biblical Controversies series (Controversies in the Gospels, Controversies in Revelation, and others). He has written the Rise and Fall of the Holy Roman Empire and Valley of the Blind which is in development as a motion picture. He has a Ph.D.from Tydanle Theological Seminary and is a Fellow at Louisiana Baptist Seminary. He also has a M.Div. and was editor-in-chief of the Evangelical Standard.
