From Holmes, Michael W. (EDT) : The Apostolic Fathers in English before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Apostolic Fathers in English:

The Apostolic Fathers is an important collection of writings revered by early Christians but not included in the final canon of the New Testament. Here a leading expert on these texts offers an authoritative contemporary translation, in the tradition of the magisterial Lightfoot version but thoroughly up-to-date. The third edition features numerous

changes, including carefully revised translations and a new, more user-friendly design. The introduction, notes, and bibliographies have been freshly revised as well.
