**M. B. Synge : The Awakening of Europe** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Awakening of Europe:

27 of 28 people found the following review helpful. Buy another versionBy SammyIf you are buying this for TOG studies, buy another version. The page numbers do not match up with assignments.This publisher leaves out illustrations, table of contents, etc., therefore I do not prefer this edition. The book by MB Synge is satisfactory, this edition (publisher) is substandard - in my opinion.2 of 2 people found the following review helpful. Used with Tapestry of Grace with no problemsBy ChelseaWe used this book while doing Tapestry of Grace last year and didn't

have any problems with page numbers or discrepancies. 1 of 1 people found the following review helpful. LongBy Sandi GreenIt is a good book... if you're writing a history report! The chapters have titles, not numbers, so if I want to read chapter 19, I have to scroll down the list of forty chapters and count! As a whole, it is a good book.

"The Awakening of Europe" covers the reformation in Germany, the Netherlands, France, and England, as well as the settlement of colonies in America. The rise of England and the Netherlands as sea powers, and the corresponding fall of Spain, as well as the rise of Russia, Austria, and the German states are also presented.
