Tovia Halberstam, Joshua Halberstam : The Blind Angel before purchasing it in order to gage whether or not it would be worth my time, and all praised The Blind Angel:

0 of 0 people found the following review helpful. A beautiful collection of storiesBy T. A. FisherA fascinating, engaging, and beautiful collection of stories that both celebrate and educate about tradition. I especially appreciated the format - you can sit and read just one story at a time to extend your enjoyment of them or read many at once. They are the type of stories that one can read over and over, finding new insights each time.0 of 0 people found the

following review helpful. Inspirational and upliftingBy CustomerDr Halberstam is an amazing author. His fiction stories reminds me of Shalom Alichem (who wrote fiddler on the roof) , Badhevis Singer (who wrote Yentel) and other notable writers like Y,L, Perez and Shi Agnon. He is a captivating story teller and his stories are an easy read and very entertaining. I cannot wait to read his next book.0 of 0 people found the following review helpful. Wonderful storytellingBy JaneThese stories remind me of a Chagall painting with their imagery, dream-reality, and repeated symbolism. They are beautifully evocative. Well done!

For twenty-five years, Rabbi Tovia Halberstam, a scion of leading Chassidic dynasties, told riveting Chassidic tales to an audience of thousands on the Yiddish radio in New York. These legends, as precious and rich as family heirlooms, were known to millions of Jews before the Holocaust. Preserved today in their original Yiddish by the Chassidic community, the tales capture a vibrant culture with animated characters, humor, wisdom, human struggle, and moral lessons. In *The Blind Angel*, Rabbi Halberstam's son, Joshua Halberstam, renders these tales for a contemporary audience while maintaining the full charm, rhythm, and authenticity of the original tales. As the author retells his father's stories, he opens a window to a world that is unfamiliar and intriguing to many. Readers will smile in appreciation of the rebbe's wit, cherish a surprising Chassidic teaching, find themselves moved by a protagonist's challenge, and delight in the sheer pleasures of storytelling.
