Jasher : The Book of Jasher before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Jasher:

4 of 4 people found the following review helpful. Mixed feelings By C. George The price and delivery time was great. The only thing I'm disappointed about is the text layout is different from what is shown in the product ("Look Inside") example. In the example the layout text goes from 1 side of the page to the other, in reality the book text is actually divided into 2 columns. It's disappointing because I had picked this one over other Jasher books because I didn't want the 2 column layout. So a bit misleading but I couldn't hardly return the book for that. Just FYI if that's important to

you as well. Aside from that the book itself is VERY interesting. 1 of 1 people found the following review helpful. This book isn't something you read quickly; I read ...By RazzThis book isn't something you read quickly; I read it in parts as I am hoping to understand a biblical passage from another perspective. As always, the Bible trumps any writing outside of itself. So, I read this not as the Gospel truth but as another perspective to be considered in helping me to understand scriptures. 1 of 1 people found the following review helpful. ... could never have imagined and deepened my relationship and love for God in an awesome wayBy CustomerI am thoroughly enjoying reading the book of Jasher along with the Bible - it has opened up the Word of God to me in a way I could never have imagined and deepened my relationship and love for God in an awesome way. When you have the full picture of God's power and might you can only but bow down and Worship Him in awe.

The Book of Jasher covers the Mosaic period of the Bible presented in Genesis, Exodus, Numbers, Deuteronomy, and Joshua in greater detail and with explanations not found in the present Old Testament Documents. This apocryphal book of the Bible has been considered by some to be the original beginning to the Bible and is referenced in both the Book of Joshua and the Second Book of Samuel. Is not this written in the Book of Jasher?-Joshua, X. 13. Behold it is written in the Book of Jasher.-II. Samuel, I. 18

Language NotesText: English (translation) Original Language: HebrewFrom the PublisherKessinger Publishing reprints over 1,500 similar titles all available through .com.From the Back CoverBelieved by some to have been the original beginning of the Old Testament, The Book of Jasher has been suppressed and rediscovered numerous times since its initial translation from the Hebrew in AD 800. Referred to in Joshua and Second Samuel, this apocryphal book of the Bible expands upon some of the stories we know so well: we meet Cain and Abel's three sisters, are privy to a more detailed account of the awful circumstances of the Great Flood and Noah's conduct toward the multitudes who assembled before his ark, and learn more about the women of the Bible. Jasher's version of the story of Abraham is considered by many to be the most beautiful as this new perspective on the Old Testament will inspire believers and intrigue readers of ancient literature.
