**Benjamin Woods Labaree : The Boston Tea Party (Northeastern Classics Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boston Tea Party (Northeastern Classics Edition):

0 of 0 people found the following review helpful. The Boston Tea Party was used for a report I ...By Dad of 3The Boston Tea Party was used for a report I had in history. I did learn a bunch of new things that we didn't study and I was able to get the info out of it that I needed. I was also excited to read this book after my report was done just to fill me in on our history.0 of 0 people found the following review helpful. This book is full of wonderful, important detail

but Labaree's writing style is fairly ...By Johnny DangerThis book is full of wonderful, important detail but Labaree's writing style is fairly boring. It's not overly important for a historical examination to be a super exciting read, but there were a few times that I almost fell asleep while reading this book simply because of the repetition.0 of 0 people found the following review helpful. Four StarsBy Leonard Gordonperfect condition

" A brilliant and scholarly demonstration of the way a single act of violence can affect the course of history. ... The reasons for the resort to war ... have never been brought into such clear focus as through the lens of this remarkable study." Julian P. Boyd, editor, *The Papers of Thomas Jefferson*"One of the most important books ever written about the origins of the American Revolution." *Journal of American History*
