**G. Daly : The British Soldier in the Peninsular War: Encounters with Spain and Portugal, 1808-1814 (War, Culture and Society, 1750-1850)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The British Soldier in the Peninsular War: Encounters with Spain and Portugal, 1808-1814 (War, Culture

and Society, 1750-1850):

Combining military and cultural history, the book explores British soldiers' travels and cross-cultural encounters in Spain and Portugal, 1808-1814. It is the story of how soldiers interacted with the local environment and culture, of their attitudes and behaviour towards the inhabitants, and how they wrote about all this in letters and memoirs.

"Between 1808 and 1814 many British soldiers found a substitute for the traditional 'grand tour' in the 'tour de force' represented by the Peninsular War. In this book, meanwhile, we have a 'tour de force' of another kind: as comprehensive as it is elegant, it should catapult its author to the very forefront of the historiography." - Professor Charles J. Esdaile, University of Liverpool, UK
