Thought it was a wonderful story and the author really knows his history.0 of 0 people found the following review helpful. Who gets the credit?By LanieShort book with interesting details that one doesn't read in a regular school text book.Washington was a man of faith... It wasn't his faith that made him great, it was the objectof his faith.... Our first president gives Almighty God all the credit for his remarkable exploits.0 of 0 people found the following review helpful. HistoryBy Chris MovroydisWonderful information

This thrilling account of God's care of Washington during the French and Indian War is a story that once appeared in many history textbooks. You'll learn of Washington's character, God's miraculous protection of him in battle, and of Washington's open gratitude for God's intervention. Containing maps and illustrations, this is an encouraging story of God's preservation of the Father of Our Country.
