Alan Schreck Ph.D. : The Compact History of the Catholic Church: Revised Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Compact History of the Catholic Church: Revised Edition:

0 of 0 people found the following review helpful. Making the history of Catholic Church easier to understand By Vaughn Dr. Alan Schreck is a well-known Catholic writer. I learn from each of his books and share them with others. The Compact History of the Catholic Church is one of his best. He presents the Church's history in an easy-to-

understand way. Still, slow reading is needed to grasp the connections of dates and persons. Dr. Schreck helps the reader with those connections by his concise writing. Volumes have been written on the history of the Catholic Church. Dr. Schreck does wonders in making it understandable. 0 of 0 people found the following review helpful. An Easy To Understand Book !!By RJVery well written by Dr. Schreck! I bought this same book some years ago when it first came out. I really like the updates in it. I think it is very comprehensive and you really have to read it slowly to try to come to a profitable understanding but is laid out in very easy to understand form. I recommend it highly!!!0 of 0 people found the following review helpful. SuperBy JohnLove the book so far...its what I was looking for!

A must-have guide to the Church through the ages. Maybe youve wondered just what the Church has to offer. Or maybe youve been tempted to give up on it as you realize its weaknesses. The Compact History of the Catholic Church sweeps through the centuries offering a clear-eyed view of the Churchs development and contributions to world history. Gods faithfulness and mercy are evident, too, as he continually renews the Church and raises it again and again from the pit of trouble to new heights of faith, charity and peace. Now including a handy timeline highlighting major developments and figures from the time of Christ into the twenty-first century.

History is always written from a particular point of view. If you want to read Church history from a spiritual point of view, this revised edition of a fine book is for you. --Fr. Benedict J. Groeschel, C.F.R., author, *Healing the Original Wound: Reflections on the Full Meaning of Salvation: How to Experience Spiritual Freedom and Enjoy God s Presence*About the AuthorALAN SCHRECK, PH.D., professor of theology at Franciscan University of Steubenville in Ohio, is the author of numerous books, including *Catholic and Christian*, *The Essential Catholic Catechism*, *Catholic and Christian for Young Adults* and *Vatican II: The Crisis and the Promise*.
