**Francois Fenelon : The Complete Fenelon (Paraclete Giants)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Fenelon (Paraclete Giants):

1 of 1 people found the following review helpful. I only read books by dead authors! By Richard C. Jenkins A great spiritual classic. It's not like the pop Christianity they are serving up today. This has passed the test of time. 0 of 0

people found the following review helpful. Great ResourceBy Richard M. SutherlandThis is a great resources in discovering God, and blindspots.0 of 0 people found the following review helpful. I don't know much about him but his thoughts are ...By Margaret DolsenI don't know much about him but his thoughts are deep. Often I can only read a page or 2 before I have to stop and THINK, really think.

The most engaging collection of the French mystics writings now availableTwenty-first century Christians are now discovering the wisdom of this controversial theologian and spiritual thinker. Fenelon showed how it was possible to have devotion and faith in the original Age of Reason. In many respects, rationality still rules today in religion and culture, and as a result, Fenelon speaks to modern Christians wanting deeper faith and a meaningful inner life.His writings have never been as accessible as they are now in these lively new translations. The Complete Fenelon includes more than one hundred of Fenelons letters of spiritual counsel, as well as meditations on eighty-five other topics. Also translated here into English for the first time are Fenelons personal reflections on twenty-one seasons and holidays of the Christian year. An introduction from bestselling translator Robert J. Edmonson and in-depth recommended reading and bibliography make this the first place to start in any study of Francois Fenelon.Francois Fenelon was a seventeenth-century French archbishop who rose to a position of influence in the court of Louis XIV. Amid the splendor and decadence of Versailles, Fenelon became a wise mentor to many members of the kings court. Later exiled for political reasons, he set out to improve the lot of peasants of his diocese. His letters of counsel and spiritual meditations have found a wide audience for more than three centuries.

About the AuthorFrancois Fenelon was a seventeenth-century French archbishop who rose to a position of influence in the court of Louis XIV. Amid the splendor and decadence of Versailles, Fenelon became a wise mentor to many members of the king's court. Later exiled for a political reasons, he set out to improve the lot of peasants of his diocese. His letters of counsel and spiritual meditations have found a wide audience for more than three centuries.Robert J. Edmonson, CJ, holds a certificate in French from the University of Montpellier (France) and a degree in French from Middlebury College. His translations of spiritual classics includes Brother Lawrence's *The Practice of the Presence of God* and Terese of Lisieux's *The Story of a Soul: A New Translation*, and have sold nearly 100,000 copies.
