**translation by William Whiston : The Complete Works of Flavius Josephus** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Works of Flavius Josephus:

7 of 7 people found the following review helpful. Good for a historical perspective on JudeaBy happySomewhat repetitive. there were instances where I thought I was rereading the same chapter. I did however appreciate this e book version for studying the times in which parts of the Bible were lived so I could have historical perspective on the time when Jesus and the Apostles lived in Judea.1 of 1 people found the following review helpful. The rest of the glorious storyBy John M MartischJosephus tells of the history of the Jewish wars that the Bible doesn't. The behind-the-scenes story of the torment of the Israeli people. A very informative, descriptive, history of God's chosen people. The book was not difficult to read, but the amount of detail was quite intense to follow. I found myself taking notes in order to follow name's and places described by Josephus. To add to the research, this time period had many people with the same name. I was truly impressed with Josephus' s description of how Titus' s Roman army moved with men leading it to build roads and the order in which they marched. When Josephus describes the attack on Jerusalem I found the book

hard to put down. The death and lack of respect for human life pained my heart. I would have given the book five stars if it wasn't for the amount of resource I looked up just to stay knowledgeable with where these city's we're and who exactly I was reading about. This book took me four month's to read.0 of 0 people found the following review helpful. My eyes are not as good as they were and the option of having Kindle ...By All purchased the actual book while in the Holy land 30 years ago. My eyes are not as good as they were and the option of having Kindle read it to me was great! I like reading it while hearing it being read, more of my senses are in use that way. I enjoy my Kindle because I can have my bookshelf in my hand and not have to get up and go pull out a book.

Now, enjoy **SIX BOOKS IN ONE!** The Complete Works of Flavius JosephusAn exquisite reproduction of an original, circa- 1850 printing, the fascinating compilation is a remarkable record of history from Creation to around 100 AD. This monumental work includes revered works by Flavius Josephus, and additional scholarly text by William Whiston:Antiquities of the JewsHistory of the Jewish WarsSequel to the History of the Jewish WarsFlavius Josephus against ApionThe Life of Flavius JosephusThree Dissertations on Jesus Christ, Abraham, John the Baptist, and James the JustAlso Includes Comparative View of the Lives of the Patriarchs Chronology Table from Creation to the Birth of Our LordFlavius Josephus was there! He witnessed the beginning of the church and compiled unique details about the history that changed our world. His works are as important today as they were to the early generations who saw and heard Jesus Christ.
