Delegates of the Constitutional Convention : The Constitution of the United States before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Constitution of the United States:

248 of 261 people found the following review helpful. This is the version to get - don't be misled by the comments (BUT see update)By CRCatThis version is annotated by Richard Beeman, a genuine, non-ideological constitutional scholar. It is NOT the right wing/Skousen/LDS version described in many of the critical comments. For some reason, has applied the same set of comments to multiple versions of the Constitution, which makes it virtually impossible to determine which ones are worth buying - and reading.This version is well worth buying and reading, and reading again. In addition to the text of the original documents, it offers excellent historical context including a discussion of how the various articles and amendments have been interpreted by courts (not ideologues) through the years. It's a very valuable resource.UPDATE: In a comment to this review, RedRocks explains that if you try to order the paperback version of this Penguin guide, you'll actually get the Skousen/LDS version instead. (My brother confirmed this.) Kindle orders get the correct Penguin version. needs to correct this - RedRocks has complained about it before but has done nothing.84 of 90 people found the following review helpful. This is the one you wantBy Lydia KagenLarge font easy to read. No Skousen nut case seditonist commentary. Just as it was written by the founders.27 of 29 people found the following review helpful. The book for We the PeopleBy Classic country girlEvery American should own (and Read) this book. It was written for Us! Very highly recommend.

Pocket Edition of the original Constitution of the United States (with Index), and Declaration of Independence. The National Center for Constitutional Studies has printed a special edition copy of The Constitution of the United States that has been proofed word for word against the original Constitution housed in the Archives in Washington, D.C. It is identical in spelling, capitalization and punctuation.This 52-page pocket sized booklet contains The Constitution of the United States (including The Bill of Rights and Amendments 11-27) and The Declaration of Independence.On the front cover there is a picture of George Washington holding a quill in his hand, inviting each of us to pledge our commitment to The Constitution of the United States by maintaining and promoting its standard of liberty for ourselves and our posterity.

Take a minute to consider a gift that hasn't gone out of style in more than 200 years. --Wall Street JournalWho needs play-stations when you can give the kids Thomas Jefferson? --Independent (U.K.)About the AuthorFounding Fathers of the United States, also known as the Framers, Fathers of Our Country, or the Founders, are those political leaders who signed the Declaration of Independence and/or the United States Constitution or otherwise participated in the American Revolution as leaders of the Patriots.
