**K. Lawson Younger : The Context of Scripture, Volume 4 Supplements** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Context of Scripture, Volume 4 Supplements:

The Context of Scripture, Volume IV Supplements offers important additions to the previously published three volumes of The Context of Scripture, a major tool for research in the Bible and the ancient Near East. It provides translations of recently discovered texts, alongside new translations of better-known texts, all of which illuminate the literary output found in the Hebrew Bible. Just like the earlier volumes, Volume IV utilizes the same page layout and

large format, generous cross-referencing to comparable Bible passages, and new, up-to-date bibliographical annotations with judicious commentary. It is a wonderful enhancement to this standard reference work of the 21st century.

About the Author K. Lawson Younger, Jr., Ph.D. (1988) is Professor of Old Testament, Semitic Languages, and Ancient Near Eastern History at Trinity International University, Divinity School. He has published numerous works on the ancient Near East and the Hebrew Bible, including most recently, *A Political History of the Arameans: From Their Origins to the End of Their Polities*.
