R. Joseph Owles : The Didache: The Teaching of the Twelve Apostles before purchasing it in order to gage whether or not it would be worth my time, and all praised The Didache: The Teaching of the Twelve Apostles:

4 of 4 people found the following review helpful. Solid Ancient TeachingsBy Gary A. MintchellThis little book is an able adjunct to reading the New Testament. Solid, practical teachings from the apostles that reminds you of how to live and worship. I'd recommend reading it monthly as a regular devotion in order to maintain focus and order in your life.3 of 3 people found the following review helpful. Concise and DirectBy Tom StrepponeThis is the earliest

Christian Catechism. It is simple, direct and applicable to today. The translation was clear and simple in modern English. 3 of 3 people found the following review helpful. Words of the Apostles By Dan O'Short read, and concise. Will re-read. Highly recommended for those with Theological or Philosophical interests.

The Didache means The Teaching Christian traditions has claimed that The Teaching is nothing less than the teaching of the Twelve Apostles to the early-Church. The Didache was considered by many in the early-Church as part of the New Testament. It fell out of the New Testament as time passed, but continued to serve as a Christian manual. The Didache was lost for centuries until 1873, when a Greek manuscript was rediscovered. The Didache serves as an important historical document in the early-Church, as well as providing solutions to practical Church questions such as does a person have to be dunked during baptism, or can water simply be poured over the head? This copy has been translated by R. Joseph Owles from the Greek into every day, contemporary language, and is formatted in a way that makes it easy to both read and understand.
