John M. Frame : The Doctrine of God (A Theology of Lordship) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Doctrine of God (A Theology of Lordship):

2 of 3 people found the following review helpful. Doctrine of GodBy rwhThe size of this book can be intimidating - especially if you're like I am: thinking that you have to read it all, and do so right away.However, the work is arranged so that you can read one chapter at a time, and sometimes even one short section of a chapter, without feeling lost or

overwhelmed. This is well worth the minimal cost of purchasing it. Frame offers great insights and is "refreshingly" honest about things he does not have conclusions for. If you want to read it through, you won't be sorry. If you want it as a resource book to use at various times, you won't be disappointed. 1 of 2 people found the following review helpful. Five Stars
By Mildred Grayson
A Great textbook for students and laypersons studying Theology or Theism

perfect packing

Readers familiar with Frame's analysis of historic doctrines and current questions will welcome this long-awaited second installment in the Theology of Lordship series. Here he examines the attributes, acts, and names of God in connection with a full spectrum of relevant theological, ethical, spiritual truths.

"A magnificent treatment that will be a standard work for decades. Frame stands in the great Reformed tradition . . . yet in his treatment of the doctrine of God he surpasses them all with an amazing breadth of knowledge and depth of understanding. In every section Frame brings fresh insight to old doctrines." --Wayne Grudem
"A meticulously biblical, remarkably cogent, and powerfully transforming presentation." --Richard L. Pratt Jr.
"A joy to read. It is an intellectual treat. . . . Preachers and academic theologians will soon count it an indispensable tool." --Donald Macleod
From the Publisher
Readers familiar with Frame's analysis of historic doctrines and current questions will welcome this long-awaited second installment in the Theology of Lordship series. Here he examines the attributes, acts, and names of God in connection with a full spectrum of relevant theological, ethical, spiritual truths. The Doctrine of God received the 2003 ECPA Gold Medallion Award in the Theology and Doctrine Category. Congratulations, Dr. Frame, for this award reflecting many years of study on the topic of God's attributes and character.
About the Author
John M. Frame (A.B., Princeton University; B.D., Westminster Theological Seminary; M.A. and M.Phil., Yale University; D.D., Belhaven College) is the J. D. Trimble Professor of Systematic Theology and Philosophy at Reformed Theological Seminary in Orlando and the author of many books, including the four-volume Theology of Lordship series.
