Great Seller, Great SetBy PolycarpIf you really want to know the truth, Jesus said the truth will set you free right? Then why is there so much division in the church today in America and the world. Five StarsBy Joseph E. SwearinginVery pleased with this purchase, in fine order as described and delivered promptly.

A classic resource for the scholar, student, or minister, the thirty-eight volume Early Church Fathers, including the Ante-Nicene Fathers, Nicene and Post-Nicene Fathers, First and Second Series, is now available with a new look and an added annotated index of the authors and works (bound with volume 10 of the Ante-Nicene Fathers and available only in the Hendrickson edition). An invaluable primary resource, each of the three sets features introductions, helpful notes, references to Scripture citations, and indices of key persons, places, and theological issues. From the Apostolic Fathers to the Seven Ecumenical Councils, from the apocryphal gospels to the Arian controversy, this work is one of the most complete collections of the writing in the Christian church's first 800 years available today.

About the AuthorHenry Wace (1836-1924), former Dean of Canterbury and noted turn-of-the-century scholar, author, and editor, is especially known for his work on the four-volume Dictionary of Christian Biography and with Philip Schaff on the fourteen-volume Nicene and Post-Nicene Fathers, Second Series.
