Bernal Diaz del Castillo, Ted Humphrey : The Essential Diaz: Selections from The Conquest of New Spain (Hackett Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essential Diaz: Selections from The Conquest of New Spain (Hackett Classics):

1 of 1 people found the following review helpful. Five Stars By Valeriya Denysenko Cool book

Ideally suited for use in swift-moving surveys of World, Atlantic, and Latin American history, this abridgment of Ted Humphrey and Janet Burke's 2012 translation of the True History provides key excerpts from Diaz's text and concise summaries of omitted passages. Included in this edition is a new preface outlining the social, economic, and political forces that motivated the European discovery of the New World.

of the unabridged edition: Bernal Diaz's True History of the Conquest of New Spain, the chronicle of an 'ordinary' soldier in Hernando Cortes's army, is the only complete account (other than Cortes's own) that we have of the Spanish conquest of ancient Mexico. It makes for consistently fascinating reading, and Ted Humphrey and Janet Burke have provided the best, and the most engaging, translation ever to have appeared in English. --Anthony Pagden, UCLA of the unabridged edition: [Humphrey and Burke's] translation takes full advantage of the best scholarship of the last fifty years, providing useful context and interpretation for the non-specialist. The result is a highly readable, engaging book that will prove a valuable teaching tool in a variety of classroom settings. --Lyman Johnson, University of North Carolina Charlotte

About the Author Janet Burke is Associate Dean in Barrett, the Honors College, and Lincoln Fellow for Ethics and Latin American Intellectual History in the Lincoln Center for Ethics, at Arizona State University. Ted Humphrey is Presidents Professor, Barrett Professor, and Lincoln Professor of Ethics and Latin American Intellectual History at Arizona State University.
