Articles Published in The Present Truth magazine (May 1896-May 1897), which preceded the publication of Waggoner's book *The Everlasting Covenant*. From the book's back cover: "This book is a treasure that has lain almost forgotten for over a century. Many around the world have hungered to see it in print as "a most precious message" that in a unique way makes the Gospel become exceedingly Good News. Although by training a physician, the author came to love the Bible idea that God's covenant is His one-sided promise of salvation "unto all and upon all who believe." This vision led him to abandon a lucrative medical career to become a soul-winning evangelist. Undoubtedly Waggoner's masterpiece written for common people to understand, this book makes clear how the new covenant "abounds much more" in grace than all the alluring sin the devil can invent. Best of all, the individual who comprehends what is embedded in God's new but everlasting covenant of grace walks on air forevermore." 6 of 6 people found the following review helpful. The Gospel in the Pentateuch By Tom Ewall This is one of my favorite books. While the book is called "The Everlasting Covenant" it spends most of its time in the Pentateuch (the first five books of the Bible). What I found amazing was how the author was able to perceive so many gospel concepts in these books. Often the author would assert some gospel principle from the text, and I would think to myself "Nah, that's not there. Does it really say that?" and check, and sure enough, Moses had written just what Waggoner said he did. The author draws many rich and precious lessons from the stories of Abraham and the other patriarchs, and from the nation of Israel. The print is easy to read, in the version illustrated here.

Writings Rescued from the Dusty Archives. A series of articles published in the British Present Truth, from May 7, 1896 through May 27, 1897. This series of articles was later published in book form in the year 1900. What was the "promise" God made with Abraham? Who exactly did it include? Was the promise only for those who were literal descendants? Or did the promise include many more people than that? Is the war torn land in the Middle East God's promised land? Or did the promise encompass far more? Was there a Savior at the heart of this everlasting promise? And to whom was He given? Answers to these questions and more will thrill your heart as you read the incredible good news of God's everlasting covenant that He made with Abraham and the whole world. E.J. Waggoner, born in 1855, gave up a lucrative practice of medicine at the age of 27 to share the Gospel with the world. He was a tremendous Bible student, wrote prolifically, and preached across both Europe and the U.S. He was a very intelligent man and learned very quickly to speak German, French and Danish by reading the Bible in those languages. He first published "The Everlasting Covenant" in a series of articles in "Present Truth" magazine in England.
