Five Stars By D4 Really an excellent series that gives the basis for so many of our Christian beliefs and traditions. 6 of 6 people found the following review helpful. Excellent reading By gabA well written commentary, enjoy to read, easily to understand and make connections. I will recommend the book

to everybody willing better understand the Bible and its message! Enjoy. 0 of 0 people found the following review helpful. Early Catholic Church Fathers By Anye Hughes Good book form class. Very informative.

We hear the voices of the early Church Fathers even today. Their teachings, their guidance, their insights, and their sacrifice shaped the Catholic Church. They defined the canon of Scripture. They developed our creeds and forms of worship. They defined Christianity's distinctive moral sense. But who were they? What can we learn from their ancient teachings? What can the Fathers teach the 21st century - about holiness, culture, faith, and the Gospel. This is the definitive resource for anyone interested in learning about the Church Fathers and their legacy. Ideal for RCIA, catechists, clergy, as well as lay Catholics who want to learn more about the great teachers of early Christianity. In this new and extensively updated Third Edition, you'll find: New! Twenty Church Fathers never before covered in this series. Nearly 75 more pages of information on the early Church! New! Many poets of ancient Christianity, whose hymns we still sing today. An extensively revised introduction. The Mothers of the Church and their impact. Research-friendly references and citations, topical index, timeline, and detailed bibliography.
