Lord's Feasts. I was totally ignorant of this subject, but after studying this I was able to use it to teach two classes on the subject. It is so very clear, beautifully illustrated and extremely well organized, besides being written in such an interesting format. 0 of 0 people found the following review helpful. Because of this book my family and I celebrated our first Seder together. Look forward to celebrating other feasts as well and exploring the richness of God truth foreshadowed in the Biblical feasts.

Israel's feasts are infinitely more important than just a series of cultural observances. These feasts are appointed by the Lord, and they are owned by the Lord. He calls them "my feasts." Together they form God's prophetic calendar, outlining the work of history's most important person...Jesus, the Messiah. As such, few themes are more timely or rewarding for God's people today. The Feasts of the Lord covers all aspects of the biblical feasts...historical background, biblical observance, and prophetic significance. Yet, this book is not just another reference book on the feasts. It is written from the Hebrew Christian viewpoint, helping you to see the feasts through Jewish eyes. The words of the Savior, His messianic claims, and Bible prophecy will all take on a rich, new relevance for you against the exciting backdrop of The Feasts of the Lord.
