David Beers Quinn, Alison M. Quinn : The First Colonists: Documents on the Planting of the First English Settlements in North America, 1584-1590 before purchasing it in order to gage whether or not it would be worth my time, and all praised The First Colonists: Documents on the Planting of the First English Settlements in North America, 1584-1590:

0 of 0 people found the following review helpful. Four StarsBy CustomerLove my heritage. I love reading about the "Lost Colony" stuff...builds my family tree even larger. The Oxentines, yeah!0 of 0 people found the following review helpful. A good historical account.By just JackA good historical account.0 of 0 people found the following review helpful. The book to buyBy Brian HaleThis compilation of primary sources on the lost colony is the book to buy to learn about the history as told by the people who lived it.

Sixteenth-century narratives collected by Richard Hakluyt and drawings by John White offer remarkable firsthand evidence of the first voyages and attempts at colonization of the New World by the English.

About the AuthorDavid Beers Quinn (1909-2002) authored more than thirty books on the history of early European exploration of North America. He earned a Ph.D. from King's College, London. Dr. Quinn taught at several institutions throughout his distinguished career: University of Southampton (1934-1939); Queens University, Belfast (1939-1944); University College, Swansea (1944-1957); and University of Liverpool (1957-1993).
