From Brand: The Jewish Publication Society : The First Jewish Catalog: A Do-It-Yourself Kit before purchasing it in order to gage whether or not it would be worth my time, and all praised The First Jewish Catalog: A Do-It-Yourself Kit:

0 of 0 people found the following review helpful. Essential Reading for Any Jewish HouseholdBy J. AlbanI have had this book for over 30 years. It was like a how-to bible for me on Jewish practice. I loved it and wanted to give one to my daughter now. Book came in pretty good condition. While many addresses and phone numbers no longer be current, I still believe this is a critical addition to any Jewish household. There is so much valuable knowledge, insight and pictures. And frankly, the whole 70s theme of it is kind of fun to read. You get an earthchild sense, but I love it and highly recommend. Also, the Second and Third Catalogues are also good, but the First one is the best!1 of 1

people found the following review helpful. Five StarsBy CustomerClassic book especially for someone who is re-connecting with their Jewish roots. VERY thorough.0 of 0 people found the following review helpful. Reliable sellerBy Maureen K. AdlerNo problem with order. Had lost my copy, and needed a replacement.

A true classic! When no one else can answer your questions on celebrations, ceremonies, customs, and rituals, The First Jewish Catalog can.
