From Columbia University Press : The Future of Evangelicalism in America (The Future of Religion in America) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Future of Evangelicalism in America (The Future of Religion in America):

0 of 0 people found the following review helpful. Five StarsBy daniel l waugh jrThought provoking and challenging.

In *The Future of Evangelicalism in America*, thematic chapters on culture, spirituality, theology, politics, and ethnicity reveal the sources of the movement's dynamism, as well as significant challenges confronting the rising generations. A collaboration among scholars of history, religious studies, theology, political science, and ethnic studies, the volume offers unique insight into a vibrant and sometimes controversial movement, the future of which is closely tied to the future of America.
