Stephen Mitchell : The Gospel According to Jesus: A New Translation and Guide to His Essential Teachings for Believers and Unbelievers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gospel According to Jesus: A New Translation and Guide to His Essential Teachings for Believers and Unbelievers:

0 of 0 people found the following review helpful. Feeling the smiling face of Jesus
By Love People
The power of Jesus' love and wisdom is bold and abundant in these pages that Mitchell has masterfully intermixed with insights and companion wisdom from great eastern masters and his own wisdom and experience. He does so without sacrificing reason and rationality and scholarly integrity so that you can trust that the words have not been overly influenced by anything other than his quest for the authentic.

By JOHN SOMMERS-FLANAGANI really like this down to Earth and practical examination of what might be the core teachings of Jesus. Although I wish Jesus had written it, I think Stephen Mitchell did an excellent job.

By Sandra Wilbur
A wonderful book to discuss among seekers of what their religious tradition can mean to them.

A dazzling presentation of the life and teachings of Jesus by the eminent scholar and translator Stephen Mitchell.

From Library Journal
Following the example of Thomas Jefferson's The Jefferson Bible and modern humanistic scholarship, Mitchell (Parables and Portraits , HarperCollins, 1990) here examines Jesus as a person. He retains only the passages concerning moral instruction, and therefore considers only Jesus' teachings of unconditional love and forgiveness to be authentic and essential. Mitchell draws parallels from these teachings to modern-day, ancient Hindu, Buddhist, Sufi, and Jewish traditions. His guide is recommended as a good source for studying the religious beliefs of our founding fathers.- Ravonne A. Green, Emmanuel Coll. Lib., Franklin Springs, Ga.
