0 of 1 people found the following review helpful. Great Historical Book! By Dennis A. Kreiss Want to read some exciting history about the founding of our country? This is it. Well worth the price. You'll enjoy every minute of the read.

What is truly remarkable about "The Governor's Story" is it is an easy-to-read, exciting book that feels like a novel. It is a great read from an entertainment standpoint meeting the needs of the ordinary reader looking to be "swept away" for a few hours. But it also fills an important gap in American history. This is the fascinating story of the journal written by the Pilgrim's governor, lost for 80 years and recovered through the providence of God in 1897.
