From Jewish Pubn Society : The Hanukkah Anthology before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hanukkah Anthology:

0 of 0 people found the following review helpful. Excellent teaching resourceBy AmariThis book on the feast of the Lo-d, and the High Holy Days gives good insight about what it is all about. This is a book that one would start reading a few months before the approaching holiday so that they will have a lot of useful information to celebrate the holiday and have fun with it.

Hanukkah, the eight day festival of lights, is one of the more joyous holidays in the Jewish calendar and has become among the more widely celebrated. It is particular favourite of children. Marking the first triumphant struggle ever waged for freedom of religion, Hanukkah has been a constant beacon of hope during the years fo travail in the Diaspora.
