Insightful book to have as well to carry around!!By Zakar ForiestThis is one of the best insightful books that I have read and I would highly recommend this book to everyone first of all and also especially for those who are seeking further truth, confirmation pertaining to the truth about true bloodline history! Now why do I say that this is a great book to purchase, to have as well to carry around, is because at the end has a section for notes in which assists more in memory because like I mentioned earlier that this book,"Is one of the best insightful books and also I enjoyed it so much that I read the first book part 1 but I ordered it on my kindle and on my kindle it only took me approximately two to three days give or take, but this one took about one week and on top of that well worth the time because of the note takings. Buy the book, you will see!9 of 9 people found the following review helpful. Five StarsBy CustomerAwesome! Just full of great history and information! A must read if you can handle the truth!5 of 5 people found the following review helpful. The Hidden Treasure That Lies in Plain Sight is an excellent book to read LearnBy RogerThe Hidden Treasure That Lies in Plain Sight is an excellent book to study do research with the Holy Bible to gain more knowledge of who you are and where you come from.

The second series of The Hidden Treasure That Lies in Plain Sight is a captivating and thought-provoking book that talks about the letter J being the newest letter in the English alphabet. This book also talks about King James I of England and how he was a black man who was king of England, Scotland, Ireland, and much more. The Hidden Treasure That Lies in Plain Sight features captivating content of a rich heritage that has been hidden from the masses.

The Hidden Treasure That Lies in Plain Sight is an excellent book to study do research with the Holy Bible to gain more knowledge of who you are and where you come from. - Roger
