A Great uplifting book in spirit and true knowledgeBy Zakar ForiestWow, what a third enhanced edition that really covers in depth the other two editions that I also have read. This edition to me was the most inspirational of them all because it appeared to be personal and should be to all Hebrew Israelite, especially Judah(the so called African Americans) in which we are not African which is Ham. We are from Shem so that makes us Hebrew Israelite Americans. There is a job for us chosen. Absolutely great and uplifting in spirit and true knowledge of a book.0 of 0 people found the following review helpful.
