Bradley Nystrom, David Nystrom : The History of Christianity: An Introduction before purchasing it in order to gage whether or not it would be worth my time, and all praised The History of Christianity: An Introduction:

4 of 4 people found the following review helpful. Objectively informativeBy E. B.After I immigrated to the US from mainland China, I became a Christian. My faith has been the center of my life within the past five years. This book gives me a very concise but informative insight of the history of Christianity, and it has answered so many questions that I had for a long time. What I love the most is the authors' objectivity towards our faith. To me, this introductory text book is not something I read at leisure, but one that I need to study thoroughly! I thank my Lord for this book!0 of 0 people found the following review helpful. College course book.By Gabe CaseyDid the job.0 of 0 people found the following review helpful. Five StarsBy Ruruncythe book was simple and helped having the glossary!

From earliest foundations and precepts to challenges of the new millennium, The History of Christianity provides a comprehensive and balanced treatment of the birth, expansion, and continuing influence of Christianity. Exploration of

the growth of Christianity in Asia, Africa, and the Americas conveys its global scale. Fascinating biographical details go beyond names and dates to reveal flesh-and-blood realities of key figures.

About the Author Bradley Paul Nystrom (Sacramento, CA) is a professor at California State University. David Paul Nystrom (Chicago, IL) is a professor at North Park University.
