ISRAEL The nation of Israel is God's chosen people. They have a long and interesting history. They are the only nation in history to have ever once existed and been rebirthed. There are many colorful figures in Jewish history. Any nation who sides with Israel will be blessed of God. This book covers how they came to be and where God took them. This book covers their history right up until today. Even those who are not a big fan of history will find this enlightening. You will see how God takes care of those who are his. God bless.
