Beautiful By Unique I bought this book for historical biblical study purposes and am very satisfied. This classic book is heavy in weight and beautiful too. 23 of 25 people found the following review helpful. The hidden truths By macarthur m. morin The whitewashing of some of the iconic paintings is very surprising . This was an eye opener, and a clear distortion of history .

The Icon: The Byzantine Tradition in Europe, Russia, and the Near East through Seven Major Epochs 419 pp. An expansive study of religious icons, with 385 color plates (many of them full-page), representing numerous media across a wide range of time periods, with accompanying text by seven scholars.
