John Calvin : The Institutes of Christian Religion before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Institutes of Christian Religion:

4 of 4 people found the following review helpful. Kindle version is not the same as the paperback By Paul Rules I bought the kindle version because I thought it was the same as the paperback. This is not the case. The kindle version

is not the Lane and Osborne abridgment. It is an abridgment by some other organization. That is not to say it is not good (it keeps Bevrige's original language in the translation), but it is misleading to have them together. If you are looking for Lane and Osborne's version, get the paperback. 0 of 0 people found the following review helpful. JOHN CALVIN By Charles P. Poole, Jr. This book written by John Calvin during the time of the Protestant Reformation tells us the beliefs of the original Presbyterians. I found the book very interesting in its coverage of a full range of Christian beliefs. Most of what he said was clear, except I found it difficult to understand what he said about predestination. I never understood this part. A must read book for Presbyterians, most of whom, in my experience, have never even looked at it! 8 of 11 people found the following review helpful. Start Here in Reading Calvin By Christopher B. Prentiss Tony Lane has done a magnificent job with the incredibly long Institutes. This book is an abridgement with very little apology for it is not written so much as a reference work but a work to be read and enjoyed. I recommend this book highly.

This abridged edition of the Institutes provides a readable and inexpensive sampler of Calvin's greatest work. Lane has condensed the 1559 edition, retaining the heart of Calvin's teachings on all his major themes.

Language Notes Text: English (translation) Original Language: Latin About the Author Benjamin Wirt Farley is Youngs Professor Emeritus of Bible, Religion, and Philosophy at Erskine College. He is the translator of John Calvin's Sermons on the Ten Commandments.
